All International Students are required to have an English ability at the IELTS 5.5 or equivalent.

Vocational Outcomes

The primary pathway from this qualification is employment in accounting job roles with duties such as introducing and maintaining accounting systems, maintaining internal control systems, preparing financial statements for a non-reporting entity, preparing tax returns, reporting on business performance & preparing accounting reports for management. Job roles may vary across the various sectors, but may include Accountants, Senior Financial Clerks & Account managers.

Target Group

The target group for the FNS50217 Diploma of Accounting is local and international students wishing to develop their existing accounting skills and to those who are already working in the industry and wish to obtain the qualification to broaden their knowledge, skills and career prospects or wish to articulate to FNS60217 Advanced Diploma of Accounting. The course provides a solid overview of financial sector with an operational knowledge in general accounting and related areas. International students will come from a range of countries spanning Asia, Eastern Europe and the Middle East. Many international students have industry experience and wish to receive an Australian qualification.

Delivery Modes

CIBT uses a blended learning methodology combining classroom-based learning with computer-mediated activities as studies show blended learning improves student's interaction and satisfaction as well as increase learning outcomes. Delivery involves 20 hours per week total tuition with 13.5 hours/week of classroom-based delivery on campus and for 6.5 hours/week students would be taking part in computer-mediated activities via online MOODLE Learning Management System (MOODLE).

Course Completion

Students obtaining a 'Competent' result for all the units in this qualification will achieve Diploma of Accounting. A statement of attainment will be issued only for the units in which a student has been found 'Competent'.

Protection of fees paid in advance

Tuition fee paid in advance by student is protected under commonwealth's Tuition Protection Service (TPS). TPS is a placement and refund service for international students. The TPS is like an insurance cover for fees paid in advance. It is a single mechanism to place students when a provider fails to meet obligations or as a last resort to provide refunds of unexpended prepaid tuition fees.

Trainers and Assessors

All CIBT trainers/assessors are highly qualified and experienced. They have TAE40110/TAE40116 Certificate IV in Training and Assessment or its equivalent plus suitable industry experience along with the qualification to teach Diploma of Accounting.

Assessments

Each unit will be assessed in at least 2 different ways unless otherwise required by the unit of competency. The assessment will be conducted through take home research, assignments, projects, case studies, demonstrations and presentation.

Articulation & Pathways

Under mutual recognition the Diploma of Accounting qualification and statement of Attainment awarded by CIBT will be recognised by other RTOs Australia wide. Upon successful completion of the Diploma of Accounting students may be eligible for exemption in relevant undergraduate courses.
