TRAINING

# Diploma of Early Childhood Education and Care

National Course Code: CHC50121

CRICOS Course Code: 116564M

Duration: 52 weeks

## Course Description

This qualification reflects the role of educators in early childhood education and care who work in regulated children's education and care services in Australia. Educators at this level are responsible for designing and implementing curriculum that meets the requirements of an approved learning framework and for maintaining compliance in other areas of service operations.

Early childhood educators work in long day care centres, family day care, pre-schools or kindergartens. To achieve this qualification, the individual must have completed a total of least 280 hours of work in a regulated children's education and care service in Australia as detailed in the Assessment Requirements of units of competency. The total number of hours may be applied collectively across all units of competency that include the requirement for workplace hours.

Under the Education and Care Services National Law (2011) the Australian Children's Education and Care Quality Authority (ACECQA) publishes lists of approved early childhood education and care qualifications and information regarding regulatory requirements here: [www.acecqa.gov.au](http://www.acecqa.gov.au).

## Entry Requirements

International students require a minimum English level of IELTS 6.0 (with no individual band less than 5.5) If the level of English is insufficient, a suitable course can be organised. Entry to this qualification is open to individuals who:

- hold a CHC30121 Certificate III in Early Childhood Education and Care or
- CHC30113 Certificate III in Early Childhood Education and Care.

## Vocational Outcomes

Job roles and titles vary across different industry sectors. Possible job titles relevant to this qualification are:

- Early Childhood Educator
- Nominated Supervisor role
- Educational Leader
- Playgroup Supervisor
- Outside of School Care Coordinator
- Family Day Care Coordinator
- Room Leader

## Target Group

The target group for CHC50121 Diploma of Early Childhood Education & Care is people who have an interest in the Early Childhood Education Sector and in particular in having the desire to develop employment skills within the Childcare industry. The target participants for this course are students who seek employment in early childhood education and the care industry or existing workers working in the industry seeking to obtain a formal qualification. This group may include domestic and/or overseas students.

## Delivery Modes

CIBT uses a blended learning methodology combining classroom-based learning with computer-mediated activities as studies show blended learning improves student's interaction and satisfaction as well as increase learning outcomes. Delivery involves 20 hours per week total tuition with 16 hours/week of classroom-based delivery on campus and for 4 hours/week students would be taking part in computer-mediated activities via online Learning Management System (MOODLE). During the course, students will engage in 288 hours of work placement in a licensed early childhood setting.

## Course Completion

Students obtaining a 'Competent' result for all the units in this qualification will achieve Diploma of Early Childhood Education & Care. A statement of attainment will be issued only for the units in which a student has been found 'Competent'.

## Assessment

Each unit will be assessed in at least 2 different ways unless otherwise required by the unit of competency. The assessment will be conducted through take home research, assignments, projects, case studies, demonstrations and presentation and work place skills assessments.

## Protection of Fee Paid in Advance

CIBT uses a blended learning methodology combining classroom-based learning with computer-mediated activities as studies show blended learning improves student's interaction and satisfaction as well as increase learning outcomes. Delivery involves 20 hours per week total tuition with 16 hours/week of classroom-based delivery on campus and for 4 hours/week students would be taking part in computer-mediated activities via online Learning Management System (MOODLE). During the course, students will engage in 288 hours of work placement in a licensed early childhood setting.

## Articulation and Pathway

Each unit will be assessed in at least 2 different ways unless otherwise required by the unit of competency. The assessment will be conducted through take home research, assignments, projects, case studies, demonstrations and presentation and work place skills assessments.

## RPL and Exemptions

RPL and credit transfer can be applied for at the time of enrolment or during the orientation.
