

Diploma of Project Management

National Course Code: BSB50820 CRICOS Course Code: 117297F

Duration: 50 Weeks

Course Description

This qualification reflects the role of individuals who apply project management skills and knowledge in a variety of contexts, across a number of industry sectors. The job roles that relate to this qualification may include Project Manager and Project Team Leader. Individuals in these roles have project leadership and management roles and are responsible for achieving project objectives. They possess a sound theoretical knowledge base and use a range of specialised, technical and managerial competencies to initiate, plan, execute and evaluate their own work and/or the work of others.

Licensing, legislative, regulatory or certification considerations

No licensing, legislative or certification requirements apply to this qualification at the time of publication.

Entry Requirements

The course will be available for those students who completed year 12 or equivalent. All International Students must have an English ability at the IELTS 6.0 or equivalent with no band less than 5.5.

Vocational Outcomes

This qualification provides the skills, knowledge and competencies to deal with relevant real-life situations in the workplace for an individual to function as a Project Contract Manager, Team Leader (Industry Specific), Project Vendor Manager.

Target Group

The target group for this qualification is candidates who require skills in Business and Management area. This may include local and International students.

Delivery Modes

CIBT uses a blended learning methodology combining classroom-based learning with computer-mediated activities as studies show blended learning improves student's interaction and satisfaction as well as increase learning outcomes. Delivery involves 20 hours per week total tuition with 15 hours/week of classroom-based delivery on campus and for 5 hours/week students would be taking part in computer-mediated activities via online Learning Management System (MOODLE).

Course Completion

Students obtaining a 'Competent' result for all the units in this qualification will achieve Diploma of Project Management. A statement of attainment will be issued only for the units in which a student has been found 'Competent'.

Protection of Fee Paid in Advance

Tuition fee paid in advance by student is protected under commonwealth's Tuition Protection Service (TPS). TPS is a placement and refund service for international students. The TPS is like an insurance cover for fees paid in advance. It is a single mechanism to place students when a provider fails to meet obligations or as a last resort to provide refunds of unexpended prepaid tuition fees.

Trainers and Assessors

All CIBT trainers/assessors are highly qualified and experienced. They have TAE40116 Certificate IV in Training and Assessment or its equivalent plus suitable industry experience along with the qualification to teach Diploma of Project Management.

Assessments

Each unit will be assessed in at least 2 different ways unless otherwise required by the unit of competency. The assessment will be conducted through take home research, assignments, projects, case studies, demonstrations and presentation.

Articulation & Pathways

Under mutual recognition the Diploma of Project Management qualification and statement of Attainment awarded by CIBT will be recognised by other RTOs Australia wide. Upon successful completion of the Diploma of Project Management the students may be eligible for exemption in relevant undergraduate courses.

RPL and Exemptions

RPL and credit transfer can be applied for at the time of enrolment or during the orientation. Students may be eligible to obtain credits for individual units as a result of experience gained in the relevant field or from previous training and education. A Fee is payable for assessing your RPL status. The information is available online in the student handbook or can be requested at the reception.

Training and Other Facilities

CIBT conducts training and assessment from the Sydney City, Hurstville and Canberra which are fully equipped with required facilities including modern computer labs with internet access, projectors & resources, printing & photocopy facility and a student common area.
